About

You can display a transcript alongside the video, with options to position, expand, and allow download or print.

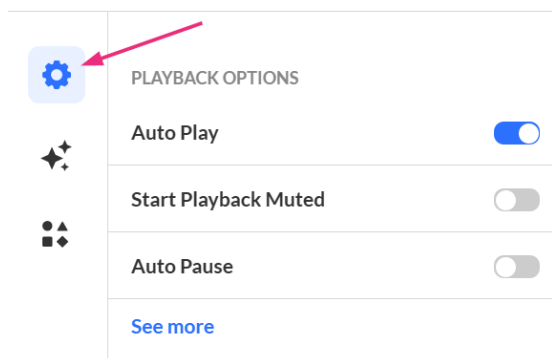

Set the transcript

VOD **AUDIO**

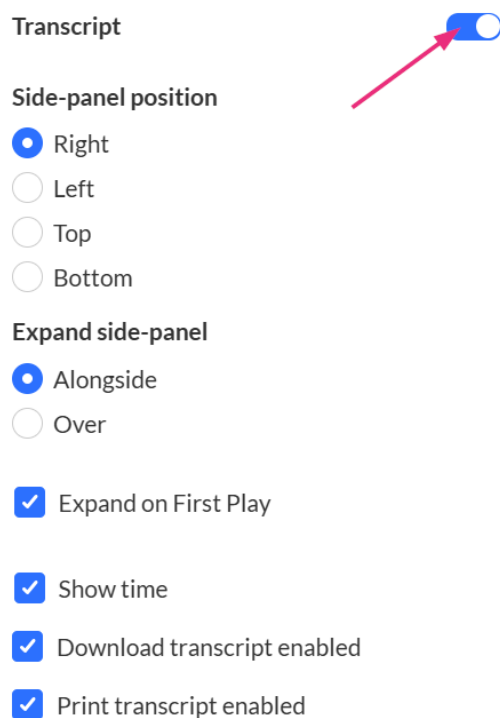

1. In the KMC, open your player, then go to the settings tab (look for the **gear icon**).

< Smart player 56381652

2. Scroll down to the **Capabilities** section and find **Transcript**.

3. Click the toggle to open the settings.

4. Configure the following:

- **Position** - Choose the position of the transcript - Right, Left, Top, or Bottom.
- **Expand** - Choose whether to expand the transcript alongside the video or over the video.
- **Expand on First Play** - Choose whether to expand the playlist side panel on the first play of the video.
- **Show time** - Choose whether to enable time markers to be added to the transcript.

- **Download transcript enabled** - Choose whether to allow the users to download the transcript.
- **Print transcript enabled** - Choose whether to allow the users to print the transcript.

5. Click **Save** at the top right of the settings page.

For the user guide, see [Transcript plugin](#).
