About

You can enable dual screen layouts like picture-in-picture or side by side for videos with two streams.

Set dual screen layout

VOD

1. In the KMC, open your player, then go to the settings tab (look for the **gear icon**).

2. Scroll down to the **Capabilities** section and find **Dual screen**.

3. Click the toggle to open the settings.

4. Configure the following:

- **Default layout** - Choose **Picture in picture** (choose to have primary video in main view or secondary video in main view), **Side by Side**, or **Single Media**.
- **Position of Picture in picture** - Choose Top Right, Bottom Right, Top Left, or Bottom Left.

5. Click **Save** at the top right of the settings page.

For the user guide, see Dual Screen.
