About

When enabled, this option adds a Watch full video button to clips, linking viewers to the original video.

VOD REELS

Access the player settings

1. Log in to your KMC and click the **Studio** tab.

The Player Studio page displays.

2. Click the player you want to edit from the list (or use the search bar in the top right).

If you haven't created a player yet, check out our article Create a player for guidance.

The player settings display.

Set link to original video

- 1. Scroll down to the **Capabilities** section and find **Link to original video**.
- 2. Click the toggle to open the settings.

- 3. Configure the following:
- By default, the original entry opens in a new tab; uncheck **Open in new tab** to load it in the same player.
- 4. Click **Save** at the top right of the settings page.

For the user guide, see Link to original video.
