About

When enabled, this option adds a **Watch full video** button to clips, linking viewers to the original video.

Set link to original video

VOD **REELS**

1. In the KMC, open your player, then go to the settings tab (look for the **gear icon**).

---

2. Scroll down to the **Capabilities** section and find **Link to original video**.

3. Click the toggle to open the settings.

4. Configure the following:

- By default, the original entry opens in a new tab; uncheck **Open in new tab** to load it in the same player.

5. Click **Save** at the top right of the settings page.

For the user guide, see Link to original video.
