About

Enable this option to allow document entry support. When enabled, if a document has been loaded in a Kaltura player (for example, as part of a playlist), a slate will appear instructing the user how to view the document.

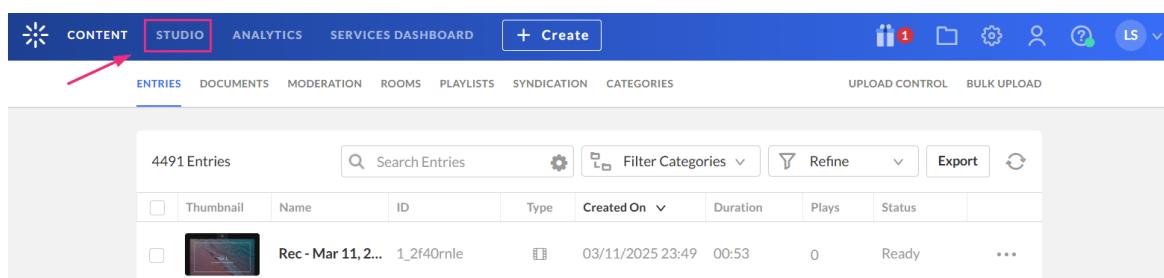

The screenshot shows a Kaltura player interface. On the left, there is a dark sidebar with sections for 'WESTLAW CLASSIC', 'WHAT IS ONEPASS?', 'NEW TO WESTLAW CLASSIC', and 'Logging in for the first time'. A note at the bottom of this sidebar provides instructions for users who have not received their Westlaw Classic registration key. On the right, a list of video entries is displayed under the heading 'Microeconomics Principles' (7 videos, 1 hr 43 min). The first entry is 'Introduction to Macroeconomics' (10:32). The second entry is 'Supply & Demand' (Image). The third entry is 'Supply & Demand' (Document). Other entries include 'Economic Indicators' (LIVE), 'The Business Cycle' (Quiz), 'Real vs Nominal GDP', and 'Costs of Inflation'.
