About

Enable this option to allow playback to start automatically.

Set autoplay

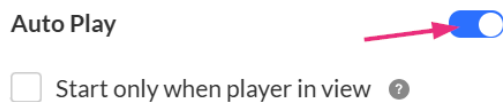

VOD **AUDIO** **REELS**

1. In the KMC, open your player, then go to the settings tab (look for the **gear icon**).

2. In the **Playback options** section find **Auto play**.

3. Click the toggle to enable the setting.

4. Check the box to start playback automatically only when the player is in view. If a player is not in view, playback will start only when the viewer scrolls to it.

5. Click **Save** at the top right of the settings page.
