About

Use the banner overlay capability to display text directly on the player. The banner appears over the video with a semi-transparent background to keep the message readable on any content.

Banners are useful for short notices such as disclaimers, promotions, or alerts.

The player settings display.

Set banner message

- 1. Scroll down to the Capabilities section and find Banner overlay.
- 2. Click the toggle to enable it and open the settings.

4. Configure the following:

- **Banner text** Enter the message to display.
- Wrap Check this setting to allow the text to wrap onto multiple lines. If unchecked, the text will stay on one line (may truncate).
- Alignment Choose where to place the banner on the player
- **Display duration** Set the duration (in seconds) that you want the banner to remain visible. Enter 0 for unlimited.
- **Show close button** Enable viewers to close the banner while it's displayed. If closed, it will reappear when the video is loaded again.
- 5. Click **Save** at the top right of the settings page.
