About

This article explains how to visit the session page in Kaltura and copy a direct link to share with attendees. It shows you how to navigate to the session via the Edit Session page, click “Visit session page,” and then use the “Copy link” option - making it easy to distribute the session’s join page link to your audience. These settings are made via the Basics tab in the session settings panel.

Single-session events

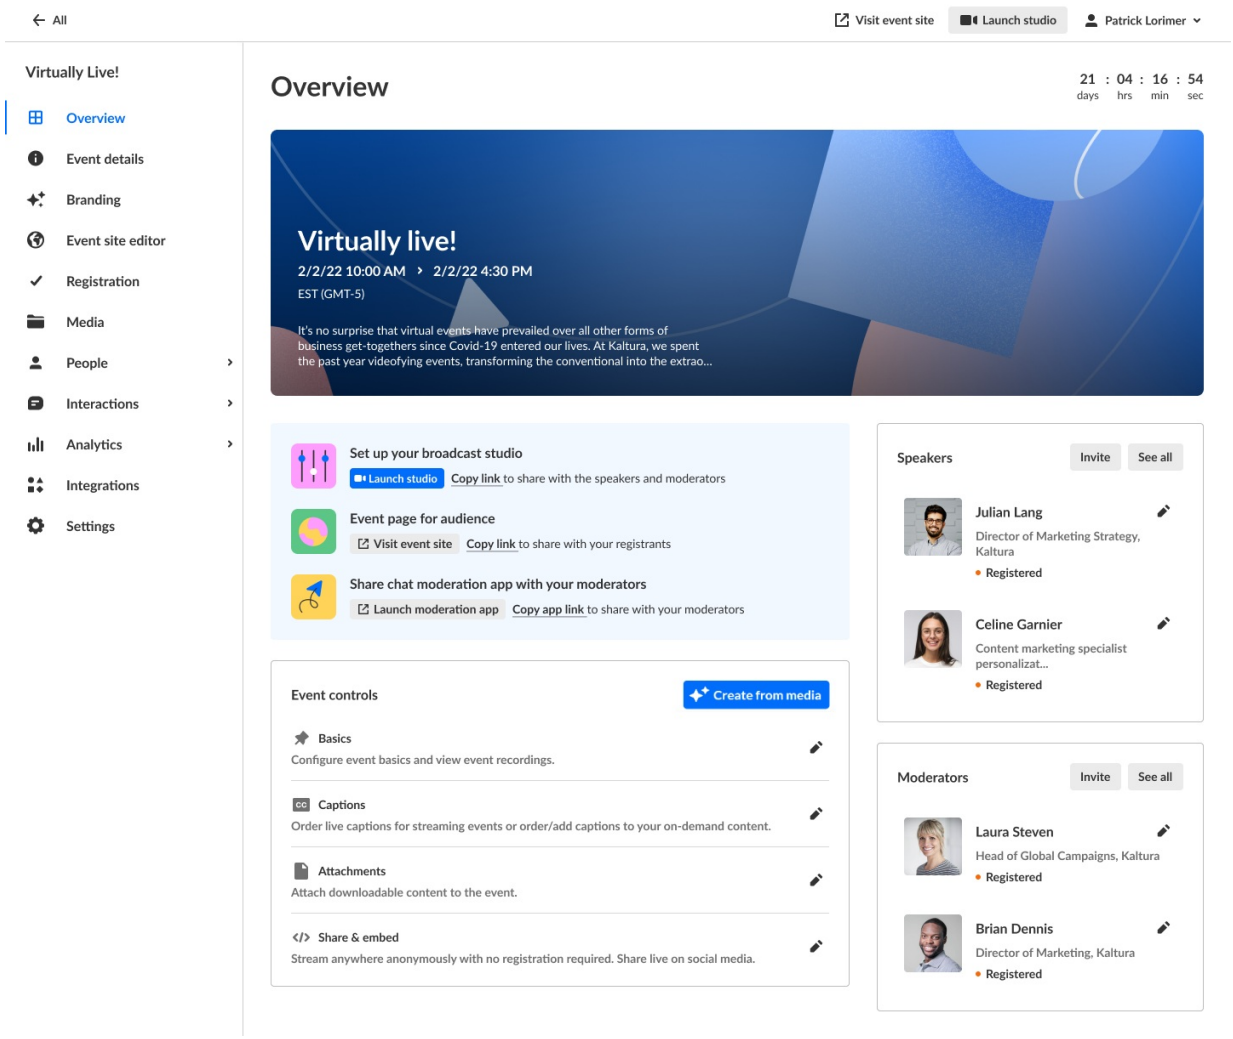

Access session settings

1. From the Events homepage, click the event you want to manage.

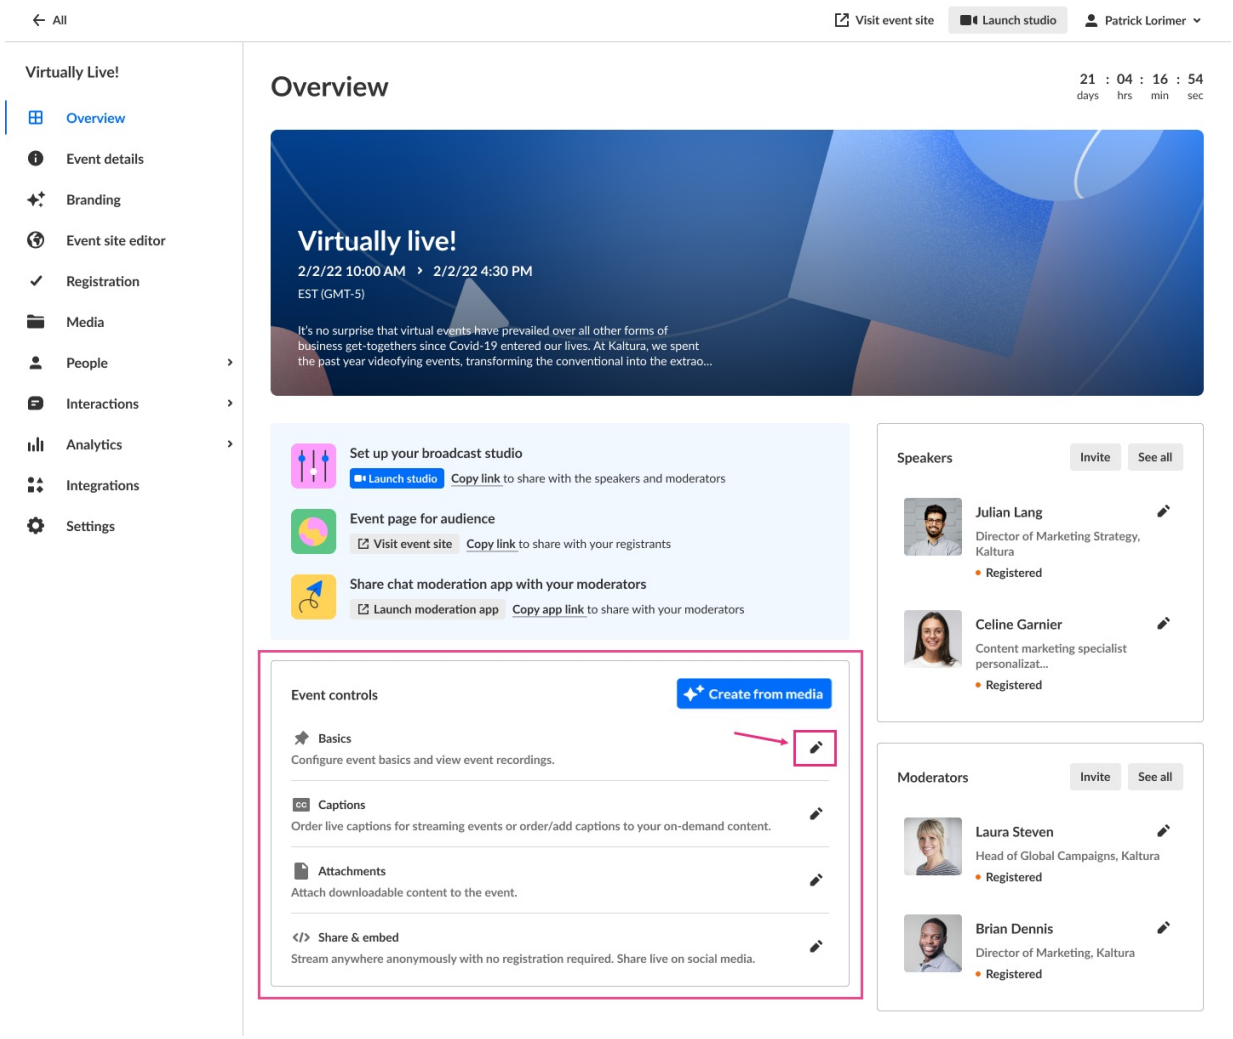

The **Overview** page displays.

Multi-session events

Access session settings

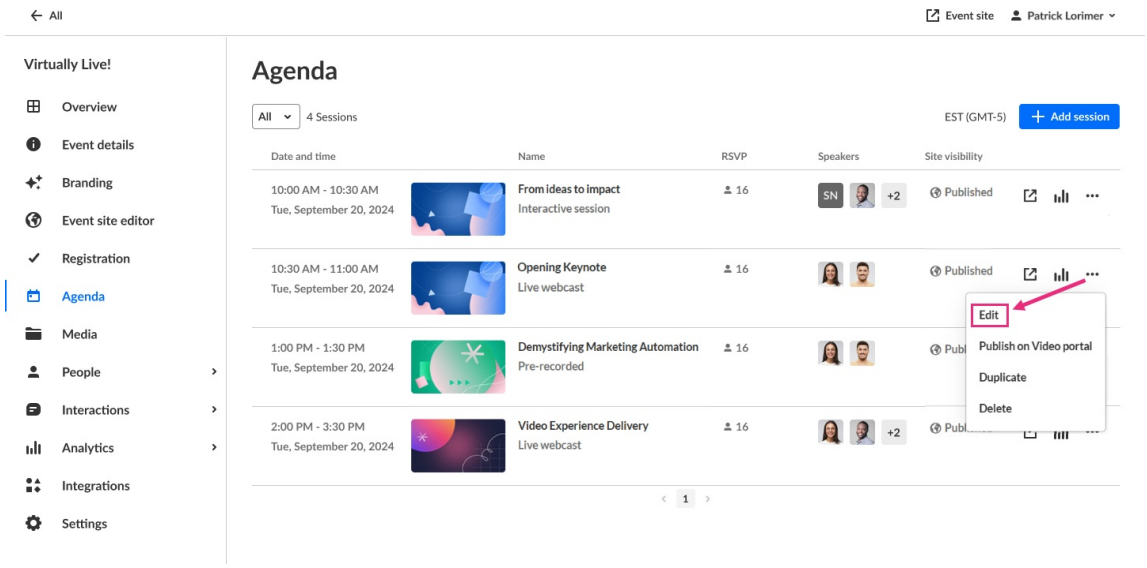

There are two ways to reach session settings:

- On the Overview page, in the **Agenda at a glance** section, click the **pencil icon** next to the session.
