About

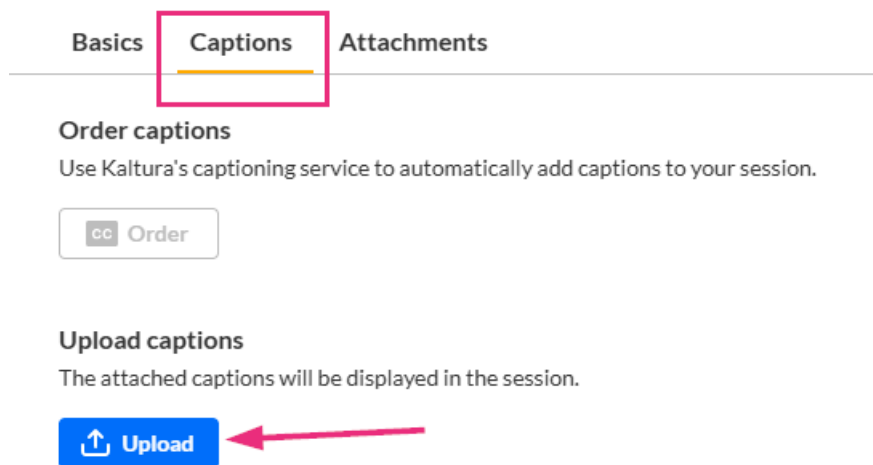

You can upload caption files to a session recording or any uploaded video source. This applies to on-demand content only.

Captions are attached to the video source. If this media is used in multiple sessions, any captions you upload will appear in all associated sessions.

Upload captions

1. Open the recording or video source you want to caption, then select the **Captions** tab.
2. Under **Upload captions**, click **Upload**.

The 'Upload captions' screen displays.
