

Add Genie to a specific media gallery in Brightspace

Last Modified on 12/17/2025 2:20 pm IST

 This article is designated for faculty members.

About

Instructors can enable Genie in their course media galleries to let students ask questions and discover content based on the videos and documents in that course.

The instructions below are for non-Theming users. If you have [Theming](#) enabled, please refer to our article *Add Genie to a specific media gallery - Theming*.

Enable Genie on a media gallery

1. Access your course, then click on **Media Gallery**.

The Media Gallery displays.

Your additional media will be presented once it is ready and approved. Refresh Now

Discover the skills and mindset to become an effective leader. In this course, you'll learn how to inspire others, communicate with confidence, and make a positive impact in your school and community. Let's start building the future leaders of tomorrow!

Tags:

Options:
☐ Moderate content (media will not appear in media gallery until approved by the gallery manager)
☒ Enable comments in Media Gallery
☐ Keep comments private to Media Gallery.
☒ Enable Newrow Live Room
☒ Display embedded media in this Media Gallery

Save
Back to Media Gallery

If **Display embedded media in this media gallery** is selected, Genie also pulls information from the embedded videos that appear in the Media Gallery, so its answers reflect all content available to students.

- Options:
- ☐ Moderate content (media will not appear in media gallery until approved by the gallery manager)
 - ☒ Enable comments in Media Gallery
 - ☐ Keep comments private to Media Gallery.
 - ☒ Display embedded media in this Media Gallery

3. On the edit page, click the **Genie** tab.

The Genie tab appears only if your admin has made Genie available.
