

Search in My History - Theming

Last Modified on 01/01/2026 5:45 pm IST

 This article is designated for all users.

About

The **My History** page lets you quickly find media you've watched in your video portal. You can search by keyword and use filters to narrow results by media type, viewing status, or time range.

These instructions are for [Theming](#) users. If you don't have Theming enabled, please see our article [Search in My History](#).

Access My History

1. Select **My History** from the user drop-down menu.

The 'My History' page displays.

Available filters are:

Watching status

Filter by how much of the media you watched:

- All watching statuses
- Started watching
- Completed watching

Media type

Filter by media type, such as video, audio, document, image, or interactive content.

Watch time

Filter by when the media was watched:

- All time
- Last 7 days
- Last 30 days
- Custom range (select specific dates)

Applied filters remain active until you clear or change them.

Read the results

The results are displayed in the form of a 'media card'.
