 This article is designated for all users.

About

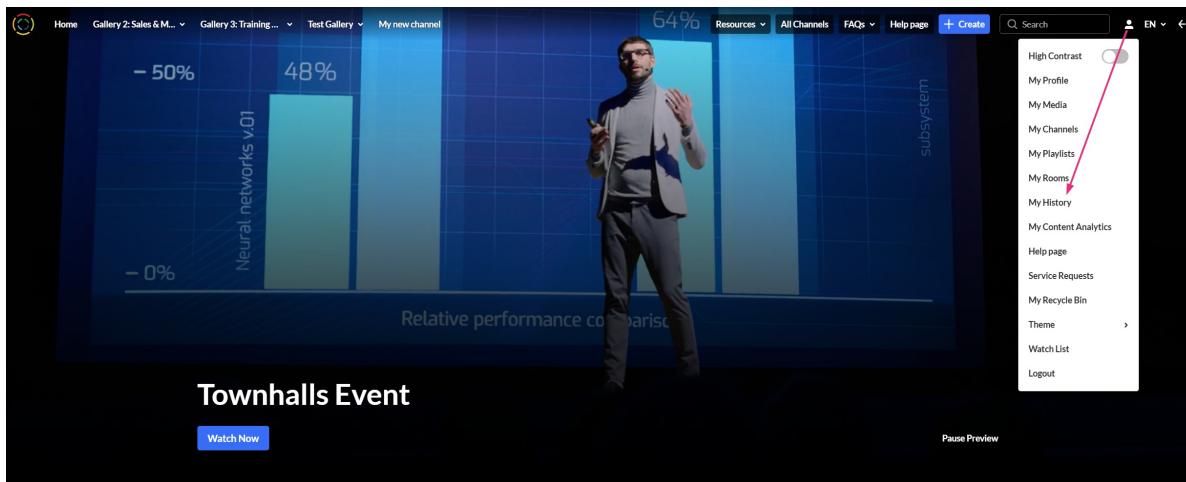

The **My History** page lets you quickly find media you've watched in your video portal. You can search by keyword and use filters to narrow results by media type, viewing status, or time range.

These instructions are for [Theming](#) users. If you don't have Theming enabled, please see our article [Search in My History](#).

Access My History

1. Select **My History** from the user drop-down menu.

The 'My History' page displays.

My History

The screenshot shows the 'My History' section of the Kaltura interface. At the top, there is a search bar with the placeholder 'Capture' and a 'Clear History' button. Below the search bar are several filter dropdowns: 'Watching Status', 'Media Type', and 'Time Watch'. The 'Time Watch' dropdown is expanded, showing 'All time' (which is selected with a blue dot) and three other options: 'Last 7 days', 'Last 30 days', and 'Custom'. To the right of these filters, there is a message '4 Items' and a 'Clear all filters' link. The main area displays four media cards, each representing a different video entry. Each card includes a thumbnail, the media title, the media type (Video), the owner, the number of views, and the watch date. Below each card, there is a 'Title & description' button, a 'Media type' button, and a 'Last watch time' button. To the right of each card, there is an 'Explore' link and a close 'X' button. The cards are as follows:

- How to install Kaltura Capture for Windows (Video, Owner, 0 Views, Watched June 28, 2025)
- Kaltura Capture recording - February 19th 2025, 10:24:09 am (Video, Owner, 0 Views, Watched April 01, 2025)
- Kaltura_Capture_recording_-_March_4th_2025,_5_14_52_pm_(HD_1080_-_WEB_(H264_400...) (Video, Owner, 0 Views, Watched March 17, 2025)
- Kaltura Capture recording - March 4th 2025, 5:14:52 pm (Video, Owner, 0 Views, Watched March 04, 2025)

Each card includes:

- Media title and thumbnail
- Media type
- Last watch time
