Remove from channel

The screenshot shows a list of media items in a Kaltura channel. The first item is a meeting room scheduled for May 9, 2025. The second and third items are videos: 'Kaltura LMS & CMS Extensions' and 'Kaltura Architecture'. Each item has a preview thumbnail, duration (01:09 and 01:08), and details (Video, Owner, 0 Views, Published). To the right of each item are three vertical dots and an 'Explore' button. A red box highlights the first two items, and a red arrow points from the 'Remove from channel' button at the top to the second item in the list.

A confirmation message displays: *Are you sure you want to remove these items from your channel?*

3. Click **Remove** to continue.

Good to know

- Removing media from a media gallery doesn't delete it from the system.
- Available actions depend on your role and admin configuration.
