About

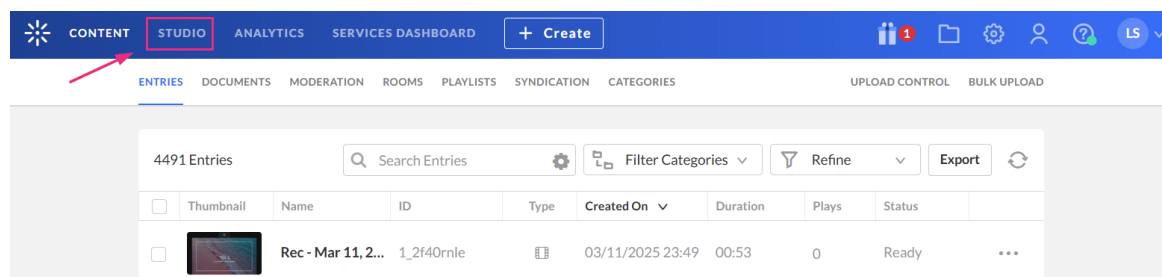

You can decide whether the audio description controls are displayed inline in the player control bar or grouped under the settings menu. This flexibility helps you tailor the player interface to your design or accessibility needs.

VOD **REELS**

Access the player settings

1. Log in to your KMC and click the **Studio** tab.

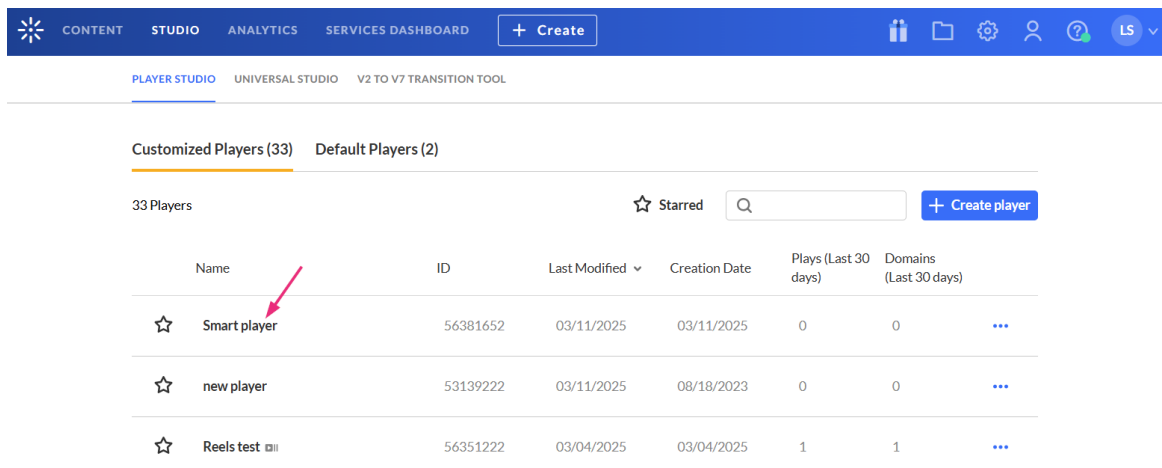

The **Player Studio** page displays.

- Click the player you want to edit from the list (or use the search bar in the top right).

If you haven't created a player yet, check out our article [Create a player](#) for guidance.

The screenshot shows the Kaltura Player Studio interface. The top navigation bar includes links for CONTENT, STUDIO, ANALYTICS, and SERVICES DASHBOARD, along with a + Create button. Below the navigation bar, there are tabs for PLAYER STUDIO, UNIVERSAL STUDIO, and V2 TO V7 TRANSITION TOOL. The main content area displays a list of players under the heading 'Customized Players (33) Default Players (2)'. A search bar and a + Create player button are located at the top right of the list. The list itself has columns for Name, ID, Last Modified, Creation Date, Plays (Last 30 days), and Domains (Last 30 days). Three players are listed: 'Smart player', 'new player', and 'Reels test'. A red arrow points to the 'Smart player' entry.

Name	ID	Last Modified	Creation Date	Plays (Last 30 days)	Domains (Last 30 days)
Smart player	56381652	03/11/2025	03/11/2025	0	0
new player	53139222	03/11/2025	08/18/2023	0	0
Reels test	56351222	03/04/2025	03/04/2025	1	1

The [player settings](#) display.

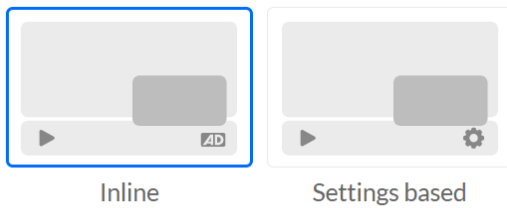

The screenshot shows the Kaltura Player settings interface. On the left, there is a sidebar with various settings categories: PLAYBACK OPTIONS, ACCESSIBILITY & LANGUAGE, and NAVIGATION & DISCOVERY. The 'PLAYBACK OPTIONS' section is expanded, showing settings for Auto Play, Start Playback Muted, Auto Pause, Fallback to Muted Autoplay, Preload, and See more. The 'ACCESSIBILITY & LANGUAGE' section is also expanded, showing settings for Localization, Captions default display, Transcript, Extended audio description, and Apply user preferences. The 'NAVIGATION & DISCOVERY' section is expanded, showing settings for Navigation, Related, and Summary & chapters. The main content area displays a video player with a play button in the center. The video shows a man in a lab coat standing behind a table with various glassware and a whiteboard in the background. The video is titled 'Strategy'.

Set audio description control placement in the player

- Scroll down to the **Accessibility & Language** section, find **Audio description** and click the gear icon next to it to open the settings.

Audio description

View options
