About

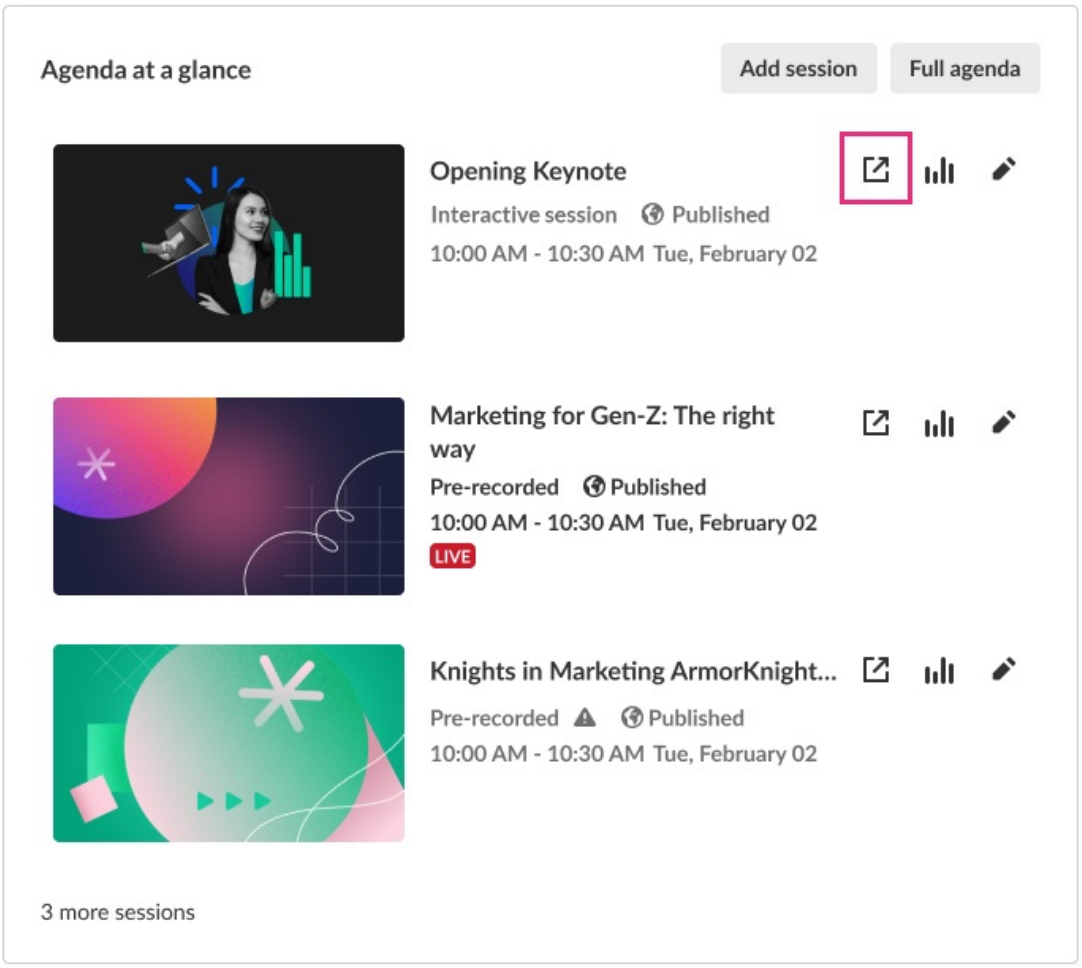

This article describes how to launch an Interactive Room session in Kaltura Virtual Events and enter the Kaltura Room.

This article pertains only to multi-session events.

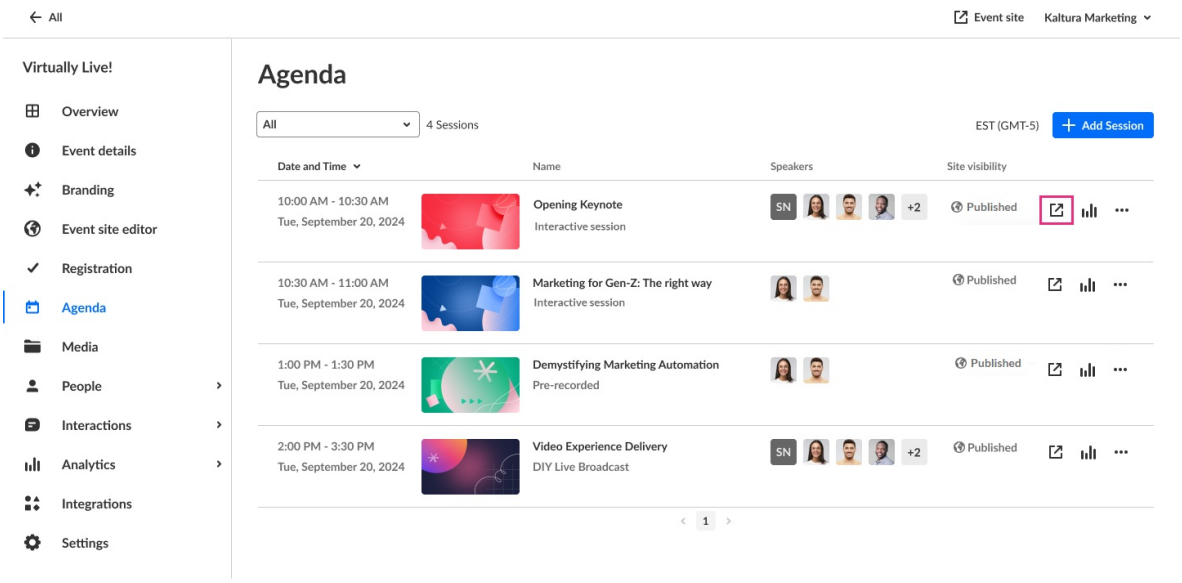

Most Kaltura Room features work on mobile, with a few exceptions for moderators: storyboard management, screen sharing, and breakout room management. Reactions in the engagement panel aren't available on mobile for anyone. To use these moderator features, join from a desktop browser.

1. Navigate to the session. There are two ways to reach the session:
   - On the Event Overview page, in the Agenda at a glance section, hover over the session, then click the blue box with arrow (go to session) icon.
