Advanced player settings: Disable the advanced captions settings option

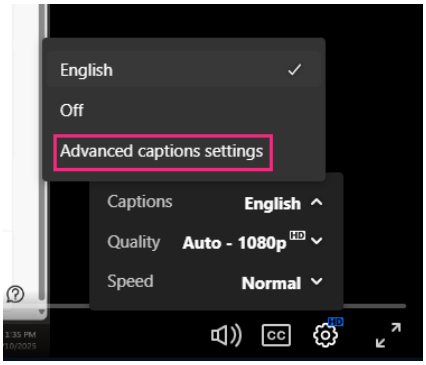

Last Modified on 07/07/2026 9:09 am IDT

This article is designated for administrators.

About

You can disable the Advanced captions settings option through the player's Advanced Settings. This configuration is not exposed in the standard Player Studio interface.

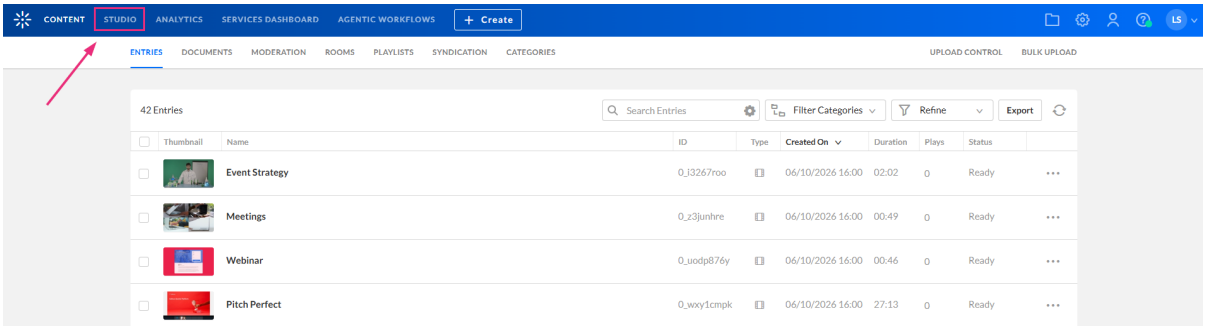

Use this setting to remove the **Advanced captions settings** option from the player menu.

Access the advanced settings

VOD AUDIO REELS

1. Log in to your Rich Media CMS and click the **Studio** tab.

   The Player Studio page displays.

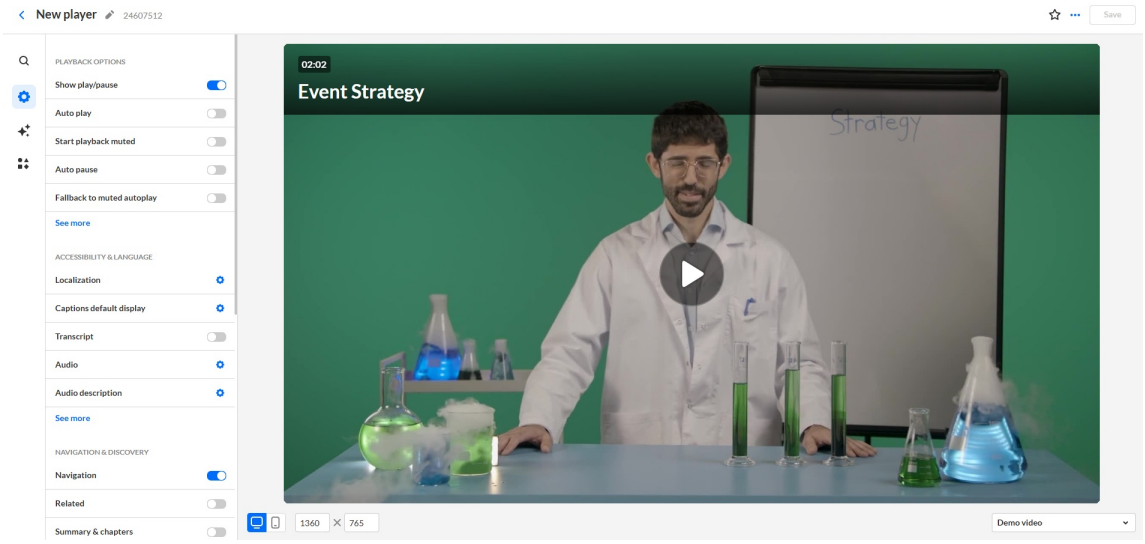

2. Click the player you want to edit from the list (or use the search bar in the top right).

2. In the **Key Name** box, enter settings, then click the **green checkmark** or press 'Enter' on your keyboard.

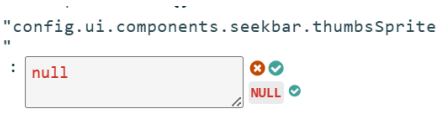

You'll see the new setting listed.

3. Hover over "settings" and click the **green edit icon**.

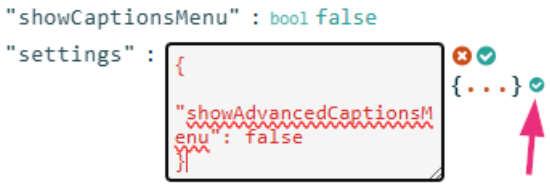

A box containing a null value displays.

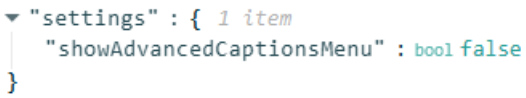

4. Remove the null value and paste in the following:

```
{
"showAdvancedCaptionsMenu": false
}
```

5. Click the **small green checkmark**.

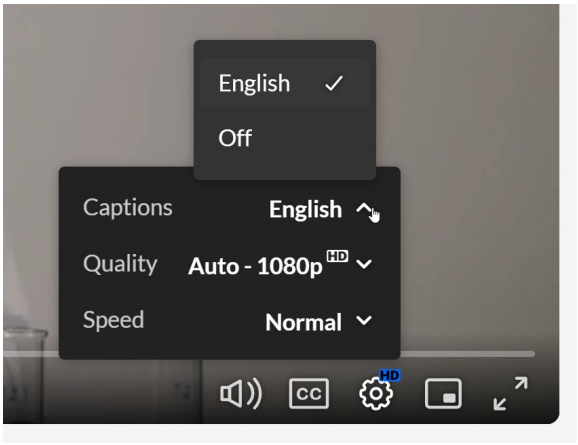

The new value displays.

6. Click **Save** at the top right before exiting.
