About

You can disable the Advanced captions settings option through the player's Advanced Settings. This configuration is not exposed in the standard Player Studio interface.

Use this setting to remove the **Advanced captions settings** option from the player menu.

Access the advanced settings

VOD **AUDIO** **REELS**

1. Log in to your [Rich Media CMS](#) and click the **Studio** tab.

The **Player Studio** page displays.

2. Click the player you want to edit from the list (or use the search bar in the top right).

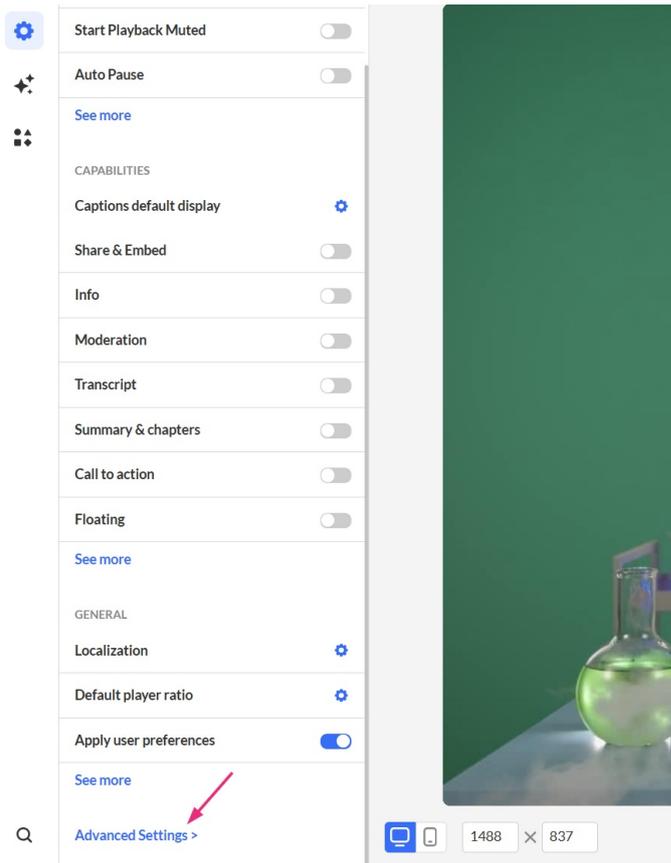

If you haven't created a player yet, check out our article [Create a player](#) for guidance.

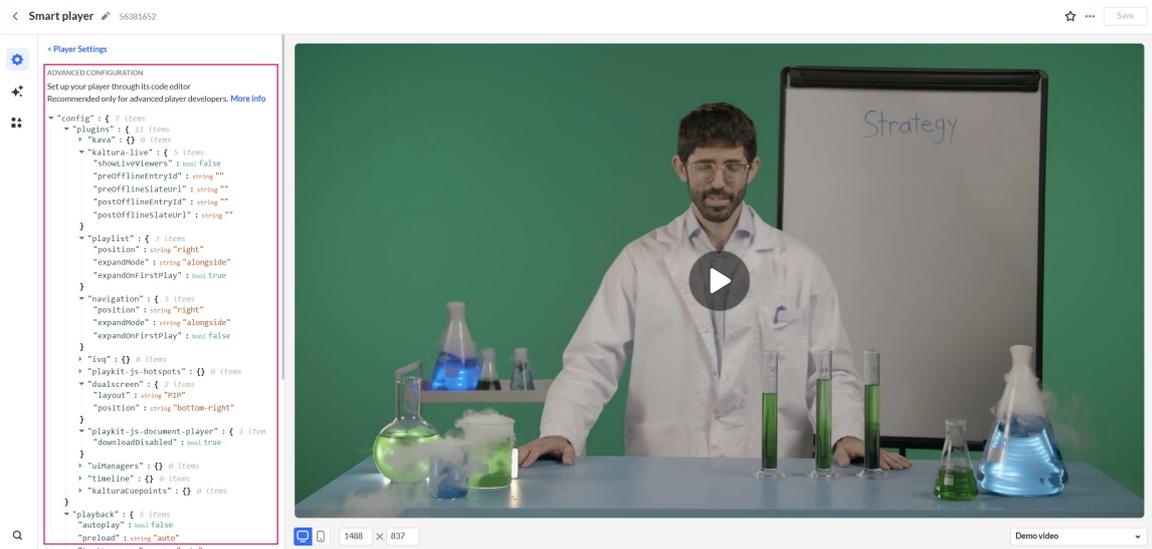

The [player settings](#) display.

3. Scroll to the bottom of the player settings and click **Advanced Settings**.

The Advanced Settings editor displays.
