

Access Content Lab across Kaltura applications

Last Modified on 08/04/2026 4:36 pm IDT

 This article is designated for all users.

About

Content Lab lets you create AI-powered content and order accessibility services for your media. When Content Lab is available, you'll see a blue **Create with Content Lab** button or **Create from media** button that opens the Content Lab workspace.

The location of the button depends on the Kaltura application you're using.

Rich Media CMS

You can access Content Lab from either of the following locations:

- the [Entries](#) page

- the [Entry Details](#) page

Content Hubs / legacy Video Portal

You can access Content Lab from the media page in [Content Hubs](#) or [legacy Video Portal](#).

Media page in Content Hubs

Kaltura Virtual Events & Webinars

You can access Content Lab from either of the following locations:

- the [Edit session page](#)

- the [Edit media page](#)
