# Manage your agents in Agentic Avatar Studio

Last Modified on 08/18/2026 6:02 pm IDT

**This article is designated for administrators.**

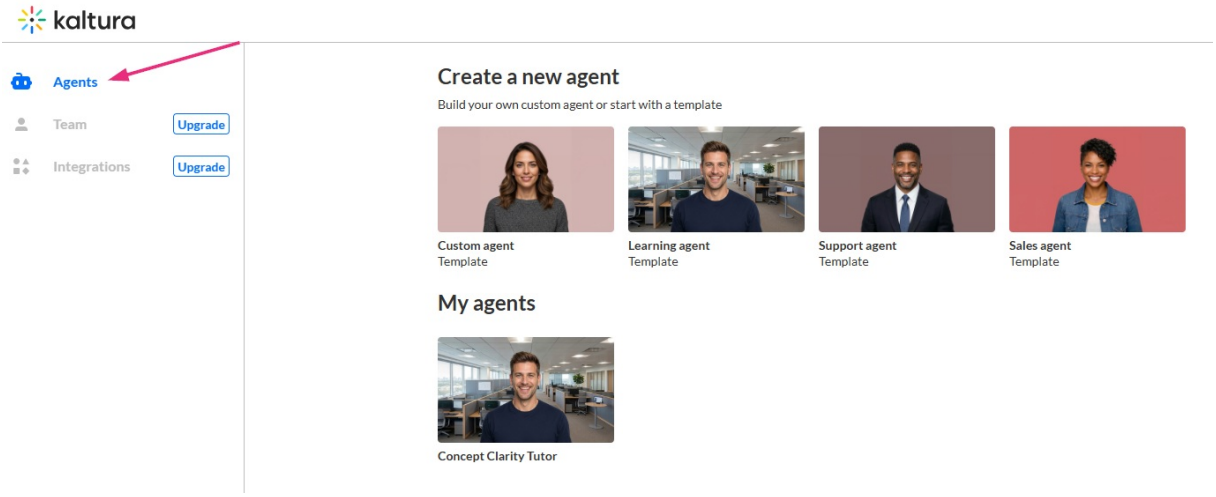
## About

You can view and manage your existing agents from the **Agents** tab in Agentic Avatar Studio. Open an agent to update its settings, or delete agents you no longer need.

The Agents tab is accessible via the Agentic Avatar Studio home page.

## View your agents

The **Agents** tab displays the agents available in your account.



Click an agent to open it.

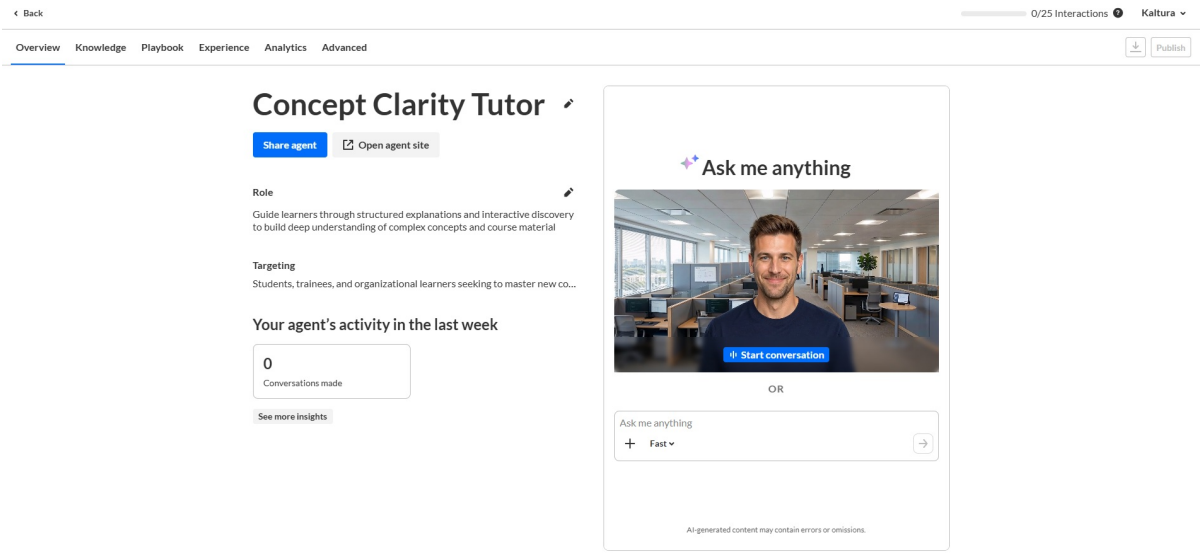
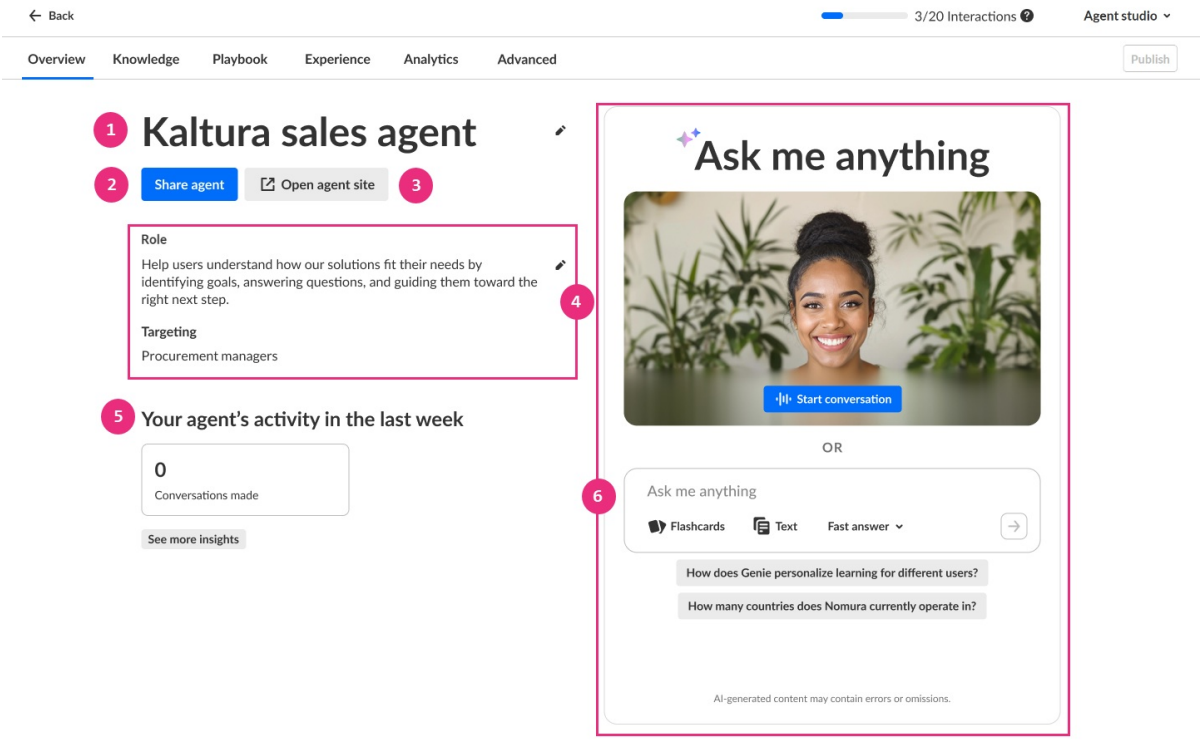
The agent workspace displays with the **Overview** tab open by default.



## Manage your agent from the Overview tab

The **Overview** tab gives you quick access to your agent's main information and actions.



The page includes:

(**1**) **Agent name** - Click the **edit icon** to rename your agent. Enter a name of up to 50 characters, then click **Save**.

(2) **Share agent** - Click **Share agent** to copy a direct link of your agent to share with others. See Share an agent for complete information.

(3) **Open agent site** - Click **Open agent site** to open a stand-alone media page for your agent and preview your agent as users see it. See Open agent site.

(4) **Agent Role and Targeting** - Select the **edit icon** next to **Role** to open the Playbook tab, where you can update your agent's role and target audience. See Define your agent's behavior.

(5) **Agent activity** - View the number of conversations your agent has had and its success rate over the last week.

- Click the **Conversations made** box to open the Full thread history view on the Analytics tab.
- Click **See more insights** to open the Analytics tab.

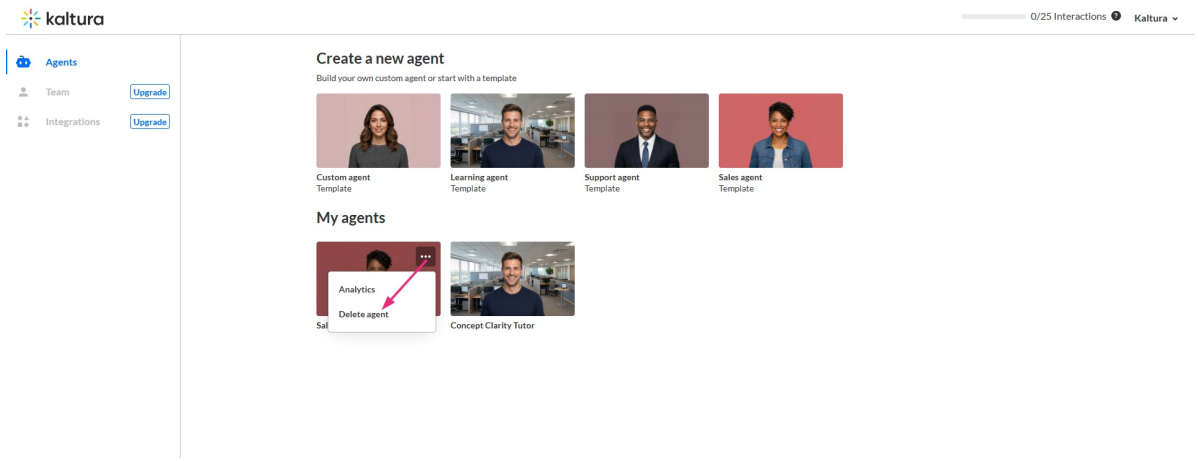
See Conversational Agents Dashboard - Agentic Avatar Studio.

(6) **Real time avatar/chat** - Preview and interact with your agent in real-time. See Real time agent interaction.

Remember to click the **Publish** button at the upper right of the page to publish any changes you've made.

## Delete an agent

1. On the **Agents** tab, hover over the agent you want to delete, click the **three dots**, and select **Delete**.



A confirmation message displays.
