This article is designated for all users.

About

This article describes how to launch a webinar and enter the Kaltura Room.

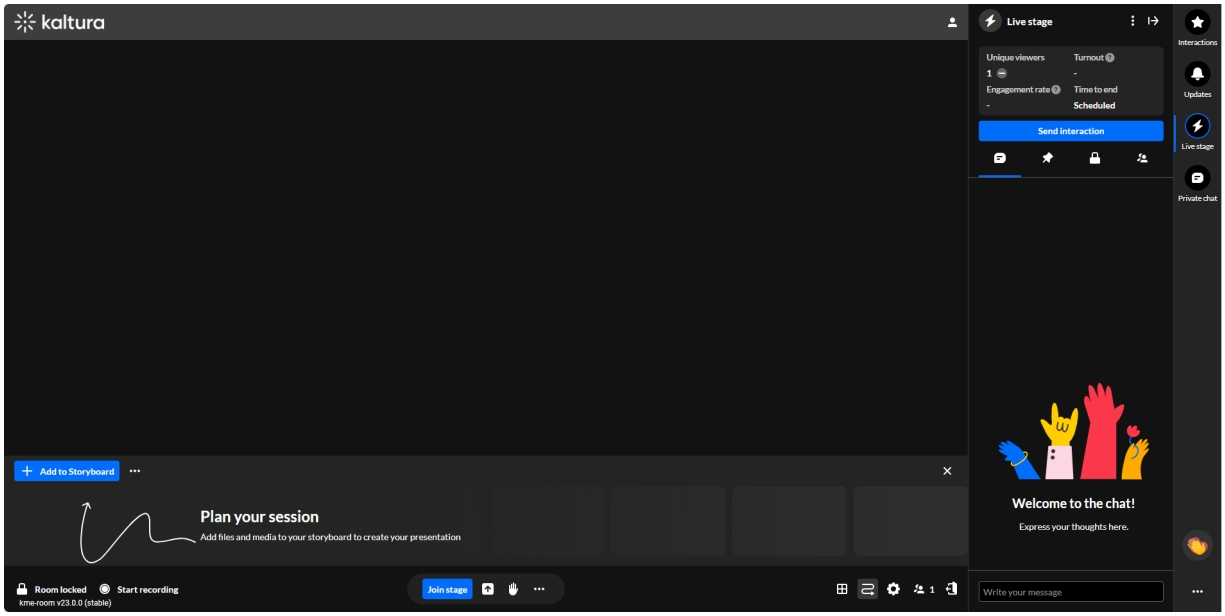

Most Kaltura Room features work on mobile, with a few exceptions for moderators: storyboard management, screen sharing, and breakout room management. Reactions in the engagement panel aren't available on mobile for anyone. To use these moderator features, join from a desktop browser.

1. Navigate to any site page.

2. Click the **Launch room** button. The Kaltura room displays.
