### About

Joining a webinar is simple and designed to get you into live or on-demand content quickly. In this guide, we'll walk you through the steps to join a webinar so you can connect with presenters, participate in discussions, and make the most of your experience.

If you encounter any issues entering a webinar, please reach out to your administrator or webinar organizer for assistance.

When you enter the webinar site, if the admin has not yet started the webinar, you see the landing page as shown below.

Once the admin starts the webinar, you are automatically moved to the room.
