About

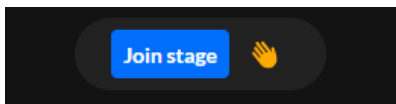

Use the **Raise hand** feature to signal that you have a question or would like to speak during a session.

Raise your hand

Click the **hand icon** on the bottom toolbar.

The icon turns yellow and moderators receive a notification.

Your raised hand also appears:

- next to your name in the Participants list
- in the Raised hands section
- on your tile if you are on stage

Your hand remains raised until you lower it or a moderator clears it.

Lower your hand

Click the yellow hand icon on the bottom toolbar to lower your hand.
