About

The steps for opening the video editor vary depending on the Kaltura application you're using.

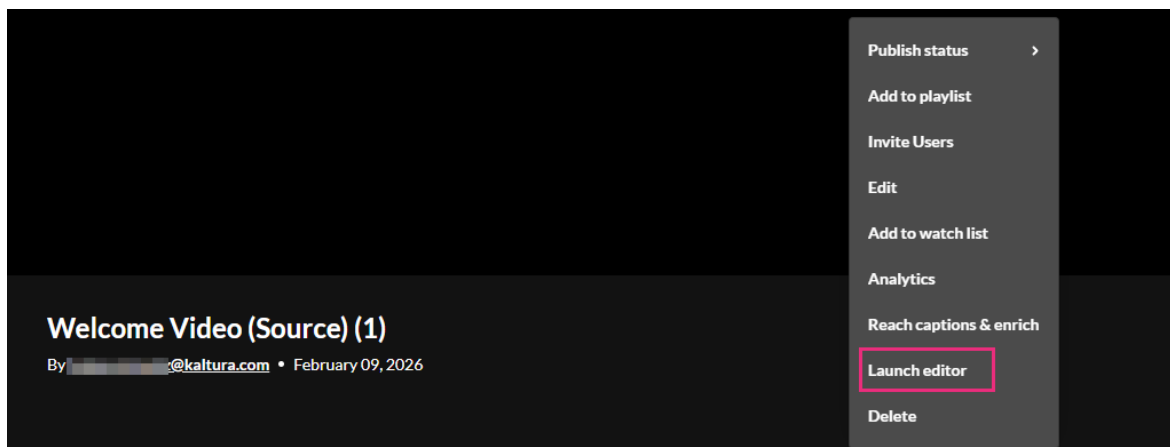

This article explains how to launch the Video Editor from Content Hubs, the legacy Video Portal, legacy LMS Video, LMS Rich Media Extensions, and the Rich Media CMS.

From Content Hubs

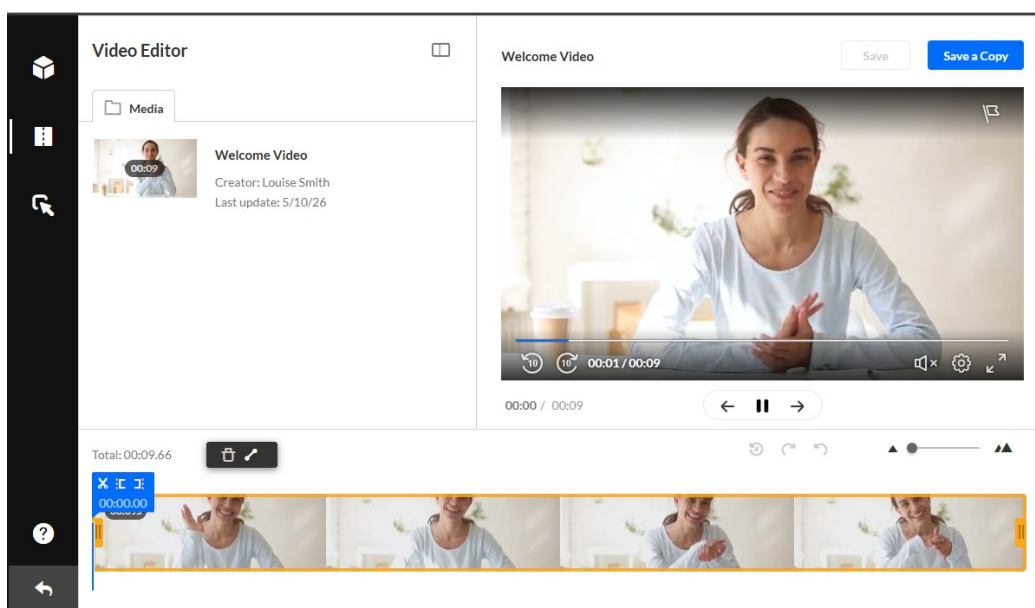

1. Access the [media page](#) by clicking on the video's thumbnail.
2. On the media page, click the **three dots** below the player.

3. Select **Launch Editor**.

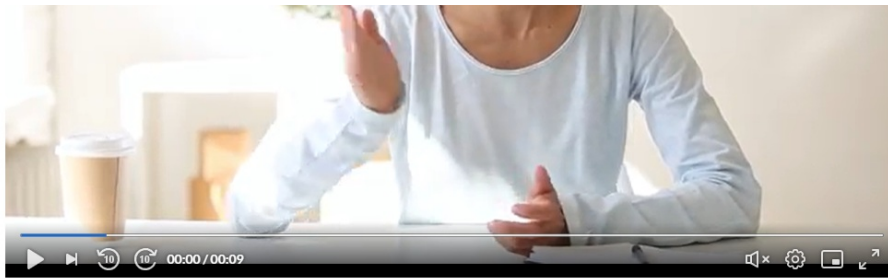

The video editor opens.

From legacy Video Portal

Option 1:

1. Access the [media page](#) by clicking on the video's thumbnail.
2. On the media page, click the **Actions** menu below the player and select **Launch Editor**.
