About

The steps to start creating a video quiz and open the quiz editor vary depending on the Kaltura application you're using.

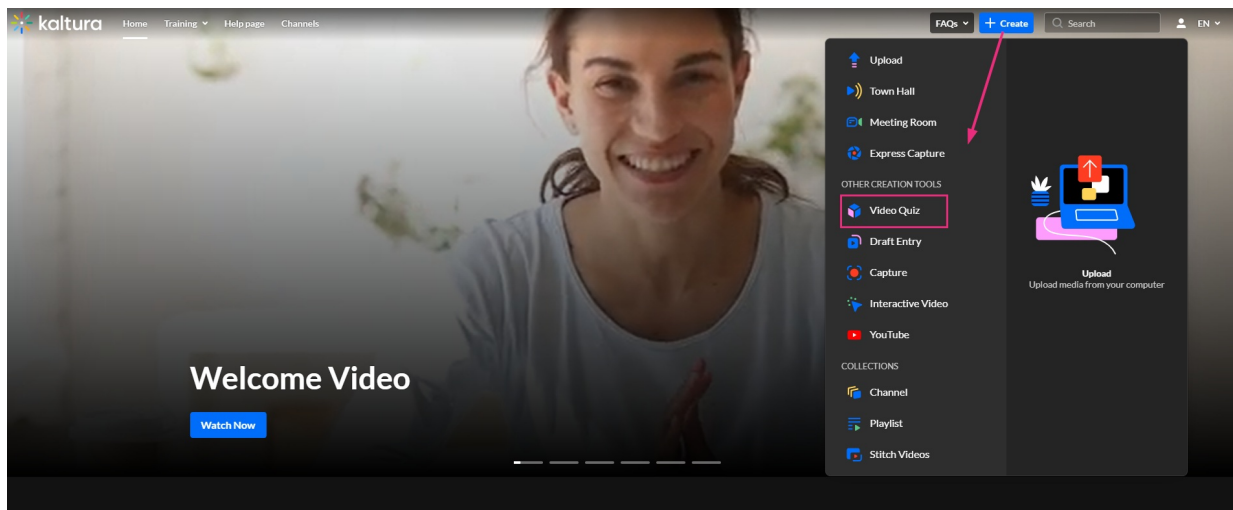

This article explains how to start creating a video quiz in Content Hubs, the legacy Video Portal, legacy LMS Video, LMS Rich Media Extensions, and the Rich Media CMS.

Once you are in the quiz editor, see [Configure quiz settings](#) to customize quiz details, scoring, and participant experience options.

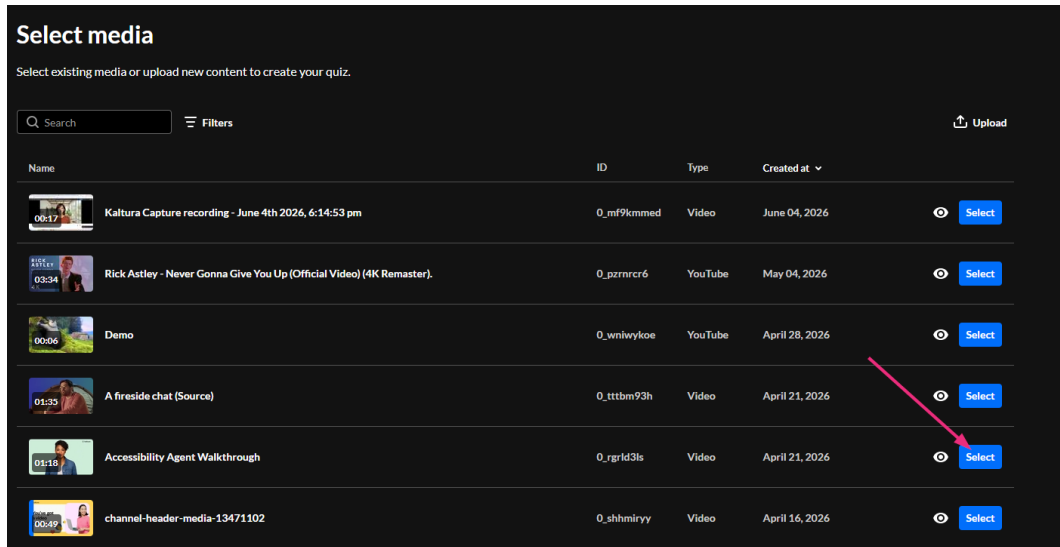

Content Hubs

1. Click the **+Create button** and select **Video Quiz**.

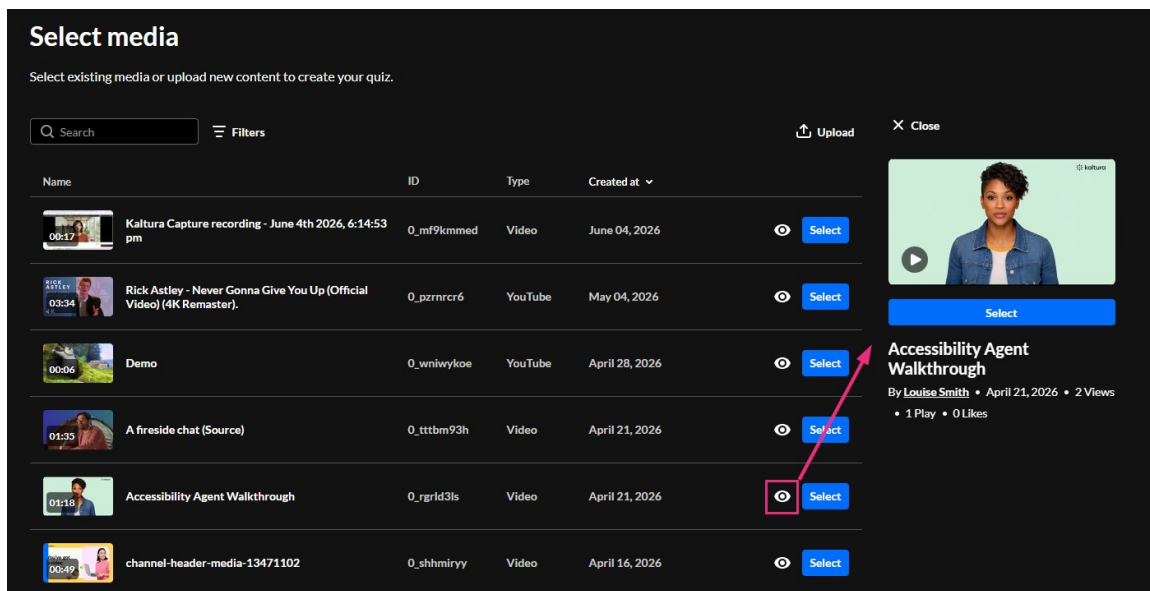

The **Select media** page displays.

2. Click **Select** next to the item you want to use for your quiz. (You can use the search field and filters to quickly find the media item you need.)

You can click the **eye icon** to preview the media - press play to watch, then click **Select** or **Close** to exit the preview panel.

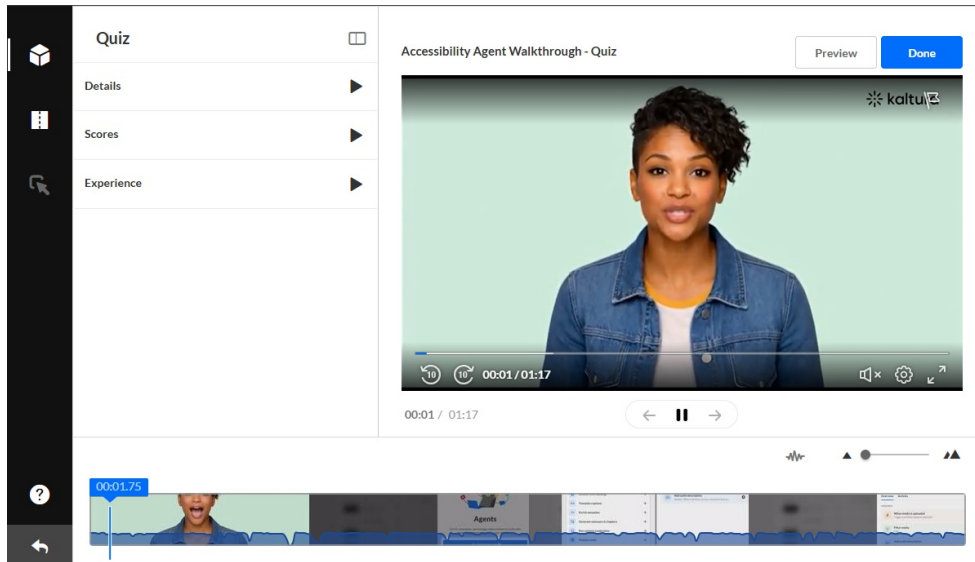

If you want to upload a new media item for the quiz, click **Upload** at the top right. See [Upload media](#) for instructions if needed.

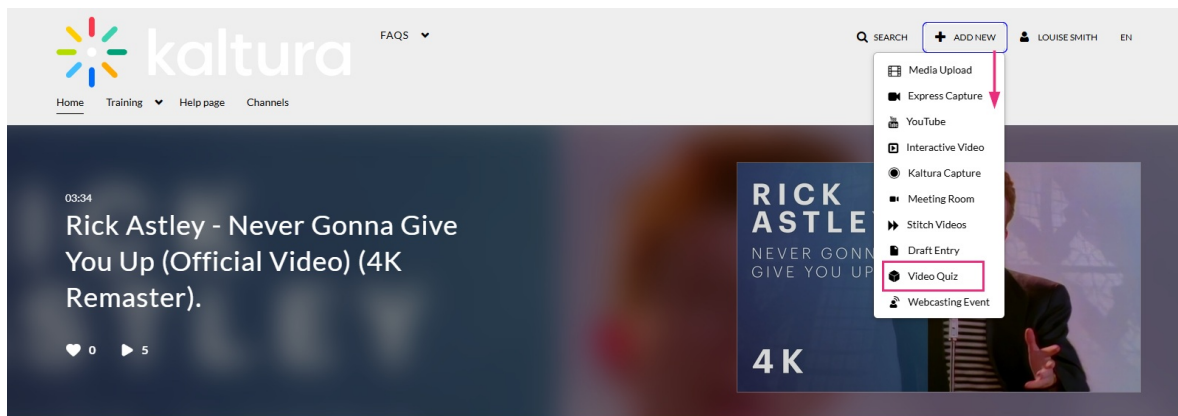

You can create or modify a quiz from VOD, audio, and YouTube entries, but not from Live entries or images.

Once you click **Select**, the quiz editor launches.

Legacy Video Portal

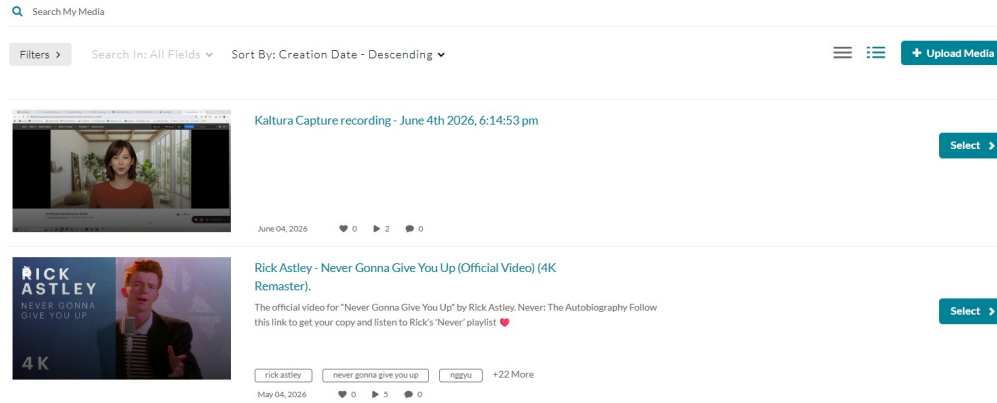

1. Click the **+Add New** menu and select **Video Quiz**.

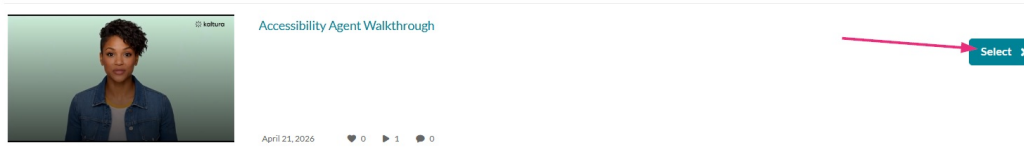

The Editor / Media Selection page displays.

Editor / Media Selection

Please select the media you would like the quiz to relate to. You can either select an existing media or upload a new one.

 Search My Media, Filters, Search In: All Fields, Sort By: Creation Date - Descending, Upload Media button, two video entries with Select buttons.

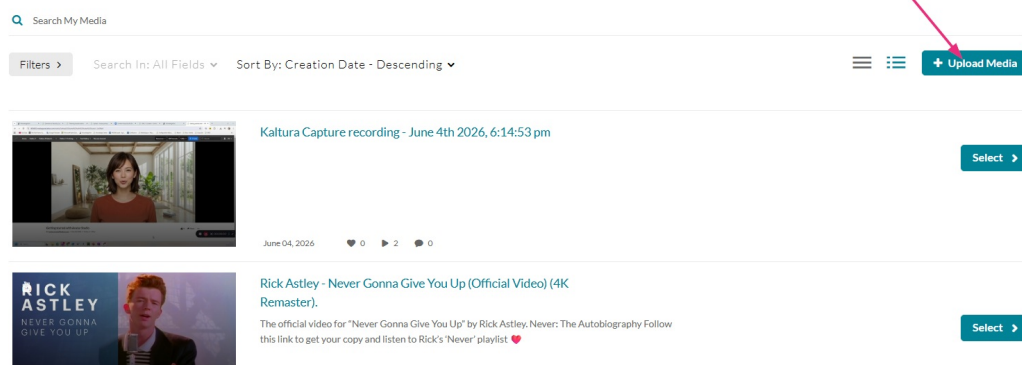

2. Click **Select** next to the media entry you want to use for your quiz.

 Accessibility Agent Walkthrough video entry with a red arrow pointing to the Select button.

If you want to upload a new media item, click **+Upload Media** at the top right (see [Upload media](#) for instructions).

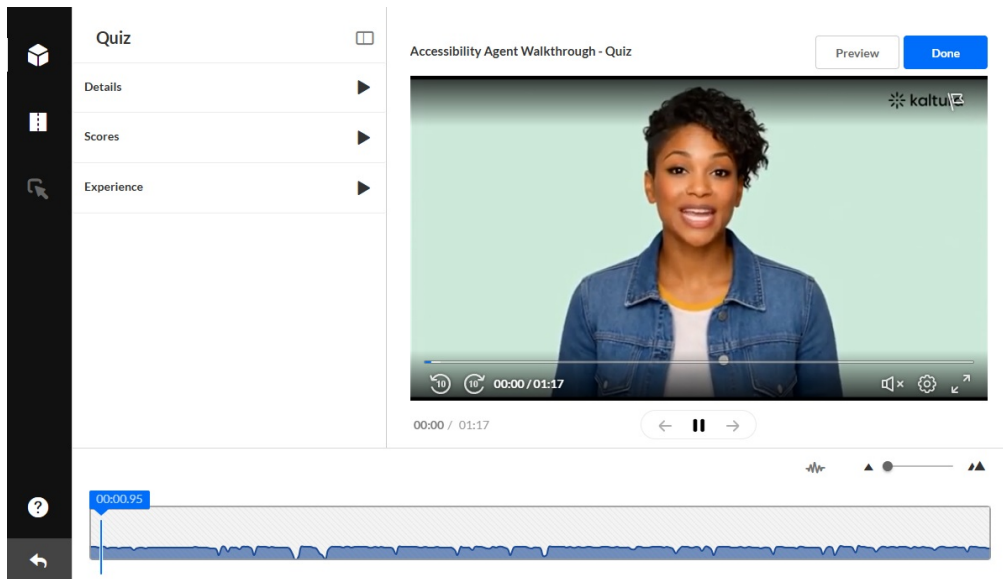

Editor / Media Selection

Please select the media you would like the quiz to relate to. You can either select an existing media or upload a new one.

 Search My Media, Filters, Search In: All Fields, Sort By: Creation Date - Descending, Upload Media button (highlighted with a red arrow), two video entries with Select buttons.

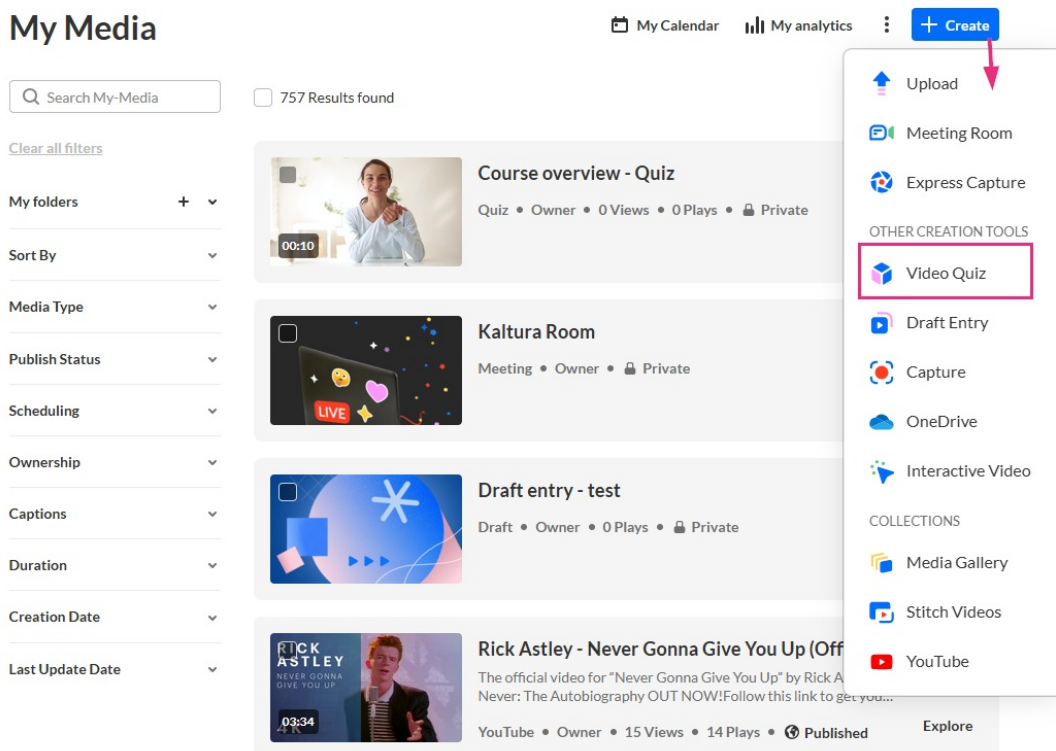

You can create a quiz from video, audio, and YouTube entries, but not from images or Live entries.

The quiz editor launches.

LMS Rich Media Extensions

1. Go to **My Media**.
2. Click the **+Create** button and select **Video Quiz**.

The **Select media** page displays.

3. Click **Select** next to the item you want to use for your quiz. (You can use the search field and filters to quickly find the media item you need.)

Select media

Select existing media or upload new content to create your quiz.

The quiz editor opens.

The screenshot displays the Kaltura Quiz Editor interface. On the left is a dark sidebar with navigation icons and labels: 'Quiz', 'Details', 'Scores', 'Experience', and 'AD'. The main area features a video player titled 'Welcome Video - Quiz'. The video shows a woman in a white shirt sitting at a desk with a coffee cup. A blue 'Add a Question' button is overlaid on the video. The video player includes a progress bar at the bottom showing '00:00 / 00:09' and playback controls. Below the video player is a horizontal timeline with a blue marker at '00:00:00' and a question icon. In the top right corner of the video player, there are 'Preview' and 'Done' buttons.
