

See notifications sent during the session - for participants

Content updated: 09/08/2026

 This article is designated for all users.

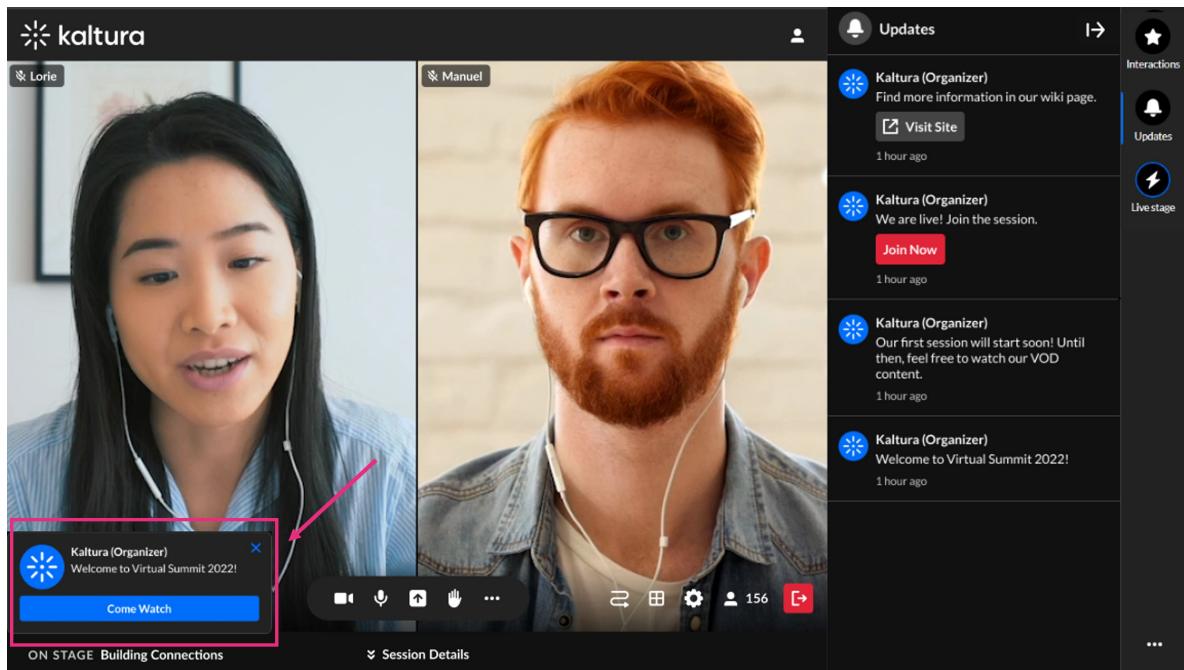

About

The **Updates** tab (**bell icon**) displays notifications sent by moderators during the session.

View new notifications

When a moderator sends a new notification, it briefly appears in the lower-left corner of the screen.

You can return to the **Updates** tab to view notifications you received earlier in the session.
