Save default Lecture Capture settings

Content updated: 09/21/2026

About

This article explains how to save default Lecture Capture settings.

>
> Run the application as administrator to see these options. They're available only for admins.

Limit the maximum number of inputs

- Set the number of maximum inputs from the drop-down menu.

Save the current device configuration as default

- Click **Save defaults**. Lecture Capture saves all configurations; you don't need to click **Save** again.
