

Custom Embed - User Guide

Content updated: 10/12/2026

 This article is designated for all users.

About

Administrators can allow certain users, groups or roles to copy and share custom embed codes. The following sections outline user capabilities.

This module is for both Content Hubs and legacy Video Portal users.

For technical support, contact Kaltura Customer Care. For all other inquiries, reach out to your Customer Success Manager.

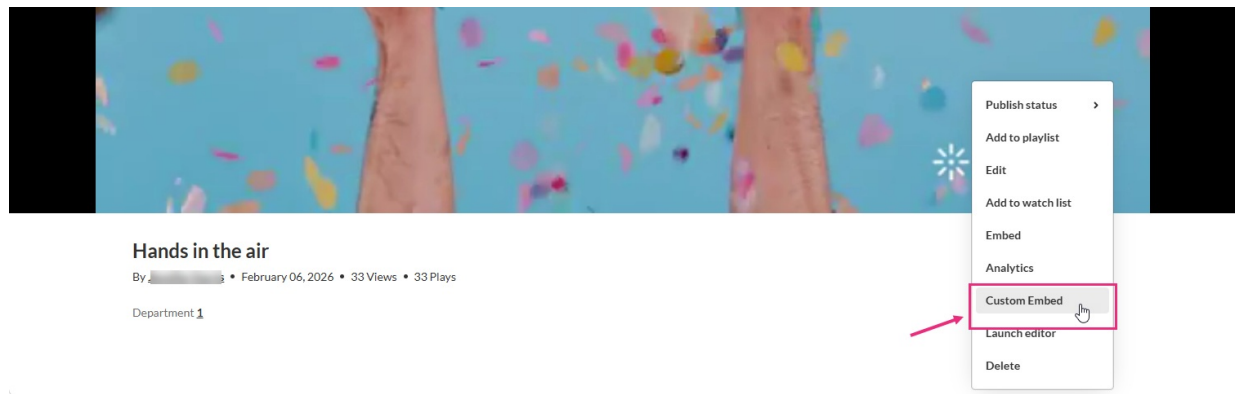

Landing Page Share

If your admin has enabled and configured the Custom Embed module, a new capability is added to the **Entry page** that allows users to copy the custom embed code. This capability is accessible on Content Hubs via the **three dots actions menu > Custom Embed**, and on legacy Video Portal via **Share > Custom Embed** tab.

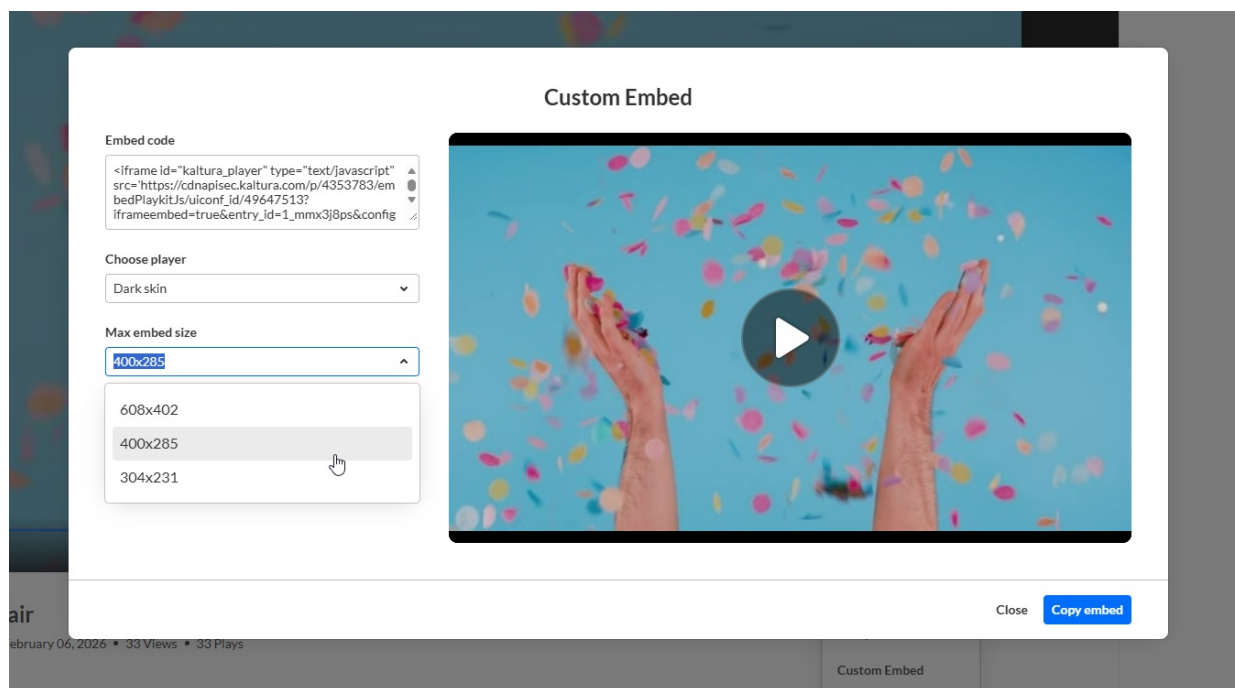

Content Hubs users:

1. From the **three dots actions menu** on the Entry page, choose **Custom Embed**

The **Custom Embed** screen displays.

2. Select the player skin.
3. Select the max embed size.
4. Click **Copy embed** to copy the link to share.

Legacy Video Portal users:

1. Click the **Share > Custom Embed** on the Entry page.
